

## Year 7

Go to this website: <https://www.bbc.co.uk/bitesize/subjects/zrw76sg>

To begin with, recap your geographical skills by following the link to questions about what is geography? map symbols, direction & contour lines or measuring distances & grid references etc.

Then, scroll further down and pick one of the human or physical geography topics that we study in Year 7 so that you can revise or pre-learn eg: environment, resources and conflict, weather and climate or your locational knowledge in a regional study of Russia.

## Year 8

Go to this website: <https://www.bbc.co.uk/bitesize/subjects/zrw76sg>

To begin with, recap your geographical skills by following the link to questions about using graphs, using an atlas, numeracy in geography etc.

Then, scroll further down and pick one of the human or physical geography topics that we study in Year 8 so that you can revise or pre-learn eg: rivers, development, population, coasts etc.

## Year 9

Go to this website: <https://www.bbc.co.uk/bitesize/subjects/zrw76sg>

To begin with, recap your geographical skills by following the link to questions about exam techniques, carrying out fieldwork and present fieldwork.

Then, scroll further down and pick one of the human or physical geography topics that we study in Year 9 so that you can revise or pre-learn eg: hazards, global biomes, urbanisation, glaciation etc.
