School Transport

Dedicated School Bus Services

Belmont / Oval and Whitecross Service

For the past few years St Mary's RC High School has operated two dedicated school services that cover the Belmont / Oval and Whitecross areas of Hereford. We aim to continue to offer this service for the new academic year starting September 2022. Please be advised that numbers are limited on dedicated school transport and there may not be enough vacant seats to accommodate everyone who applies for a place on the school bus. When considering your application please ensure you have alternative means of travel should you not secure a place. The cost of the school bus will be approximately £760.00 per child, per year depending on the uptake in numbers. Students will be placed on a waiting list when these services are oversubscribed.

Local Authority - School Transport

For all other bus services please contact the Local Authority who will be able to advise on what services you will need. Further information regarding Local Authority transport can be found on the Herefordshire Council's website at:-

www.herefordshire.gov.uk/schooltransport

Telephone Number 01432 260000 – School Transport Department

Public Transport

If you son/daughter will be using public transport to travel to and from St Mary's school please be aware that bus operators can alter their routes or cancel their services at any time. Public bus services are fully operated by the bus companies and not the school, therefore the school has no control over of any changes to their scheduled timetables. Please ensure you have a "plan B" of how your children will travel to school should this happen.
