

# SENIOR EISTEDDFOD

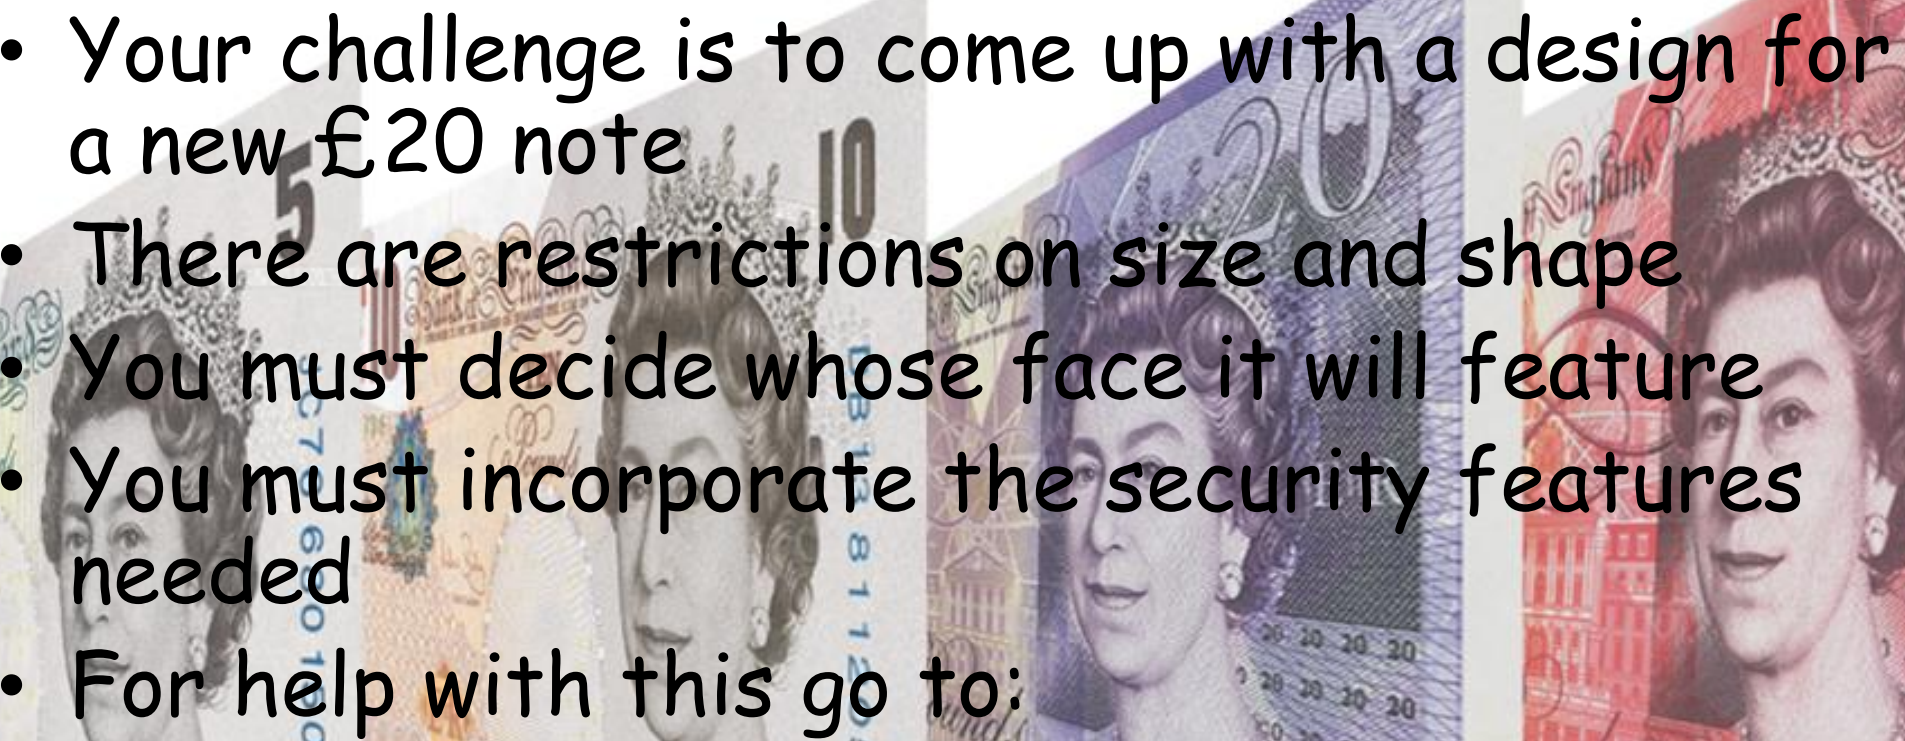

In 2 years time bank notes  
Will start being printed on  
Polymer, a thin plastic film

**THE DESIGN FOR THE  
£5 AND £10 NOTE HAS  
ALREADY  
BEEN DECIDED**

- 
- Your challenge is to come up with a design for a new £20 note
  - There are restrictions on size and shape
  - You must decide whose face it will feature
  - You must incorporate the security features needed
  - For help with this go to:
