

KS3 ASSESSMENT IN MFL: SPANISH

Our MFL KS3 curriculum, which reflects the national curriculum, is designed to ensure all students understand and respond to languages, speak with increasing confidence, can write at varying length, read competently and listen effectively in their studied language. We teach students about or how to...

	Knowledge	Skills	Communication
Year 7	Students do not study Spanish as an option in Y7	<p>Across all languages and all years, the four key skills:</p> <ul style="list-style-type: none"> Listen – to be able to understand spoken, recorded or conversational language Read – to be able to understand meaning from written texts, including increasingly complex language and grammatical structures Write – to be able to write clearly in the target language using accurate rules of spelling, punctuation and grammar Speak – to be able to speak clearly, fluently and be understood in prepared and spontaneous contexts <p>And also:</p> <ul style="list-style-type: none"> Develop and utilise a wide range of vocabulary Make connections and synthesise understanding Apply the rules of grammar consistently Use a range of voice moods Listen effectively to obtain information and respond Transcribe words and short sentences Read for comprehension Retrieve key information from written and oral sources Read literary texts 	<ul style="list-style-type: none"> Use accurate spelling, punctuation and grammar Make meaning clear in spoken contexts Make meaning clear in written contexts Participate effectively in class questioning Organise and sequence speech to meet the needs of audience Express and develop ideas clearly Discuss effectively with peers
