

STUDY SKILLS Y11 STUDENTS

Y11 is a crucial year for our students and our staff continually offer support through **high-quality teaching** in lessons, **subject revision** sessions and **revision resources**. The study skills programme aims to establish strong revision habits, provide a structured environment with specialist speakers, and a space for independent practice and revision.

MOCK EXAMS BEGIN 30/11			

Study skills and subject revision sessions in school are meant to support students with dedicated in school revision time. They are the **minimum expectation** for students and should be supplemented by routine and consistent independent practice and revision outside school. For support with this see our GCSE overviews and GCSE revision overviews on the school website

GCSES BEGIN 10th MAY 2027

Mon Lunch		Tue Lunch		Wed Lunch		Thu Lunch		Fri Lunch
